# Why do you have so much unused inventory taking up space in your warehouse?

There can be several reasons why you have excess inventory. Incorrect orders that weren't returned. Large minimum orders. Equipment purchased for a special project. Suhner has the solution.

## FLEETCare@Suhner

Optimized machine fleet

Personalized runtimes

Predictable, transparent costs

Sustainable and resource-conserving

## ABRACare@Suhner

Optimized warehouse stock

Delivery based on your needs

Payment after usage, not after delivery

Pricing based on volume

SUHNER

# Why are your skilled technicians spending valuable time on administrative tasks?

Restocking shelves, running to the hardware store for inventory, organizing repairs and more can take staff away from the production line. Suhner saves you time and money by eliminating these time consuming tasks.

## FLEETCare@Suhner

Replacement machines

Uncomplicated repair service

Leased machines

## ABRACare@Suhner

Quick provision of supplies based on your needs

Refill service

Cabinet system

SUHNER

**Do you have confidence  
that everything you need is  
always in stock?**

The day-to-day problems of a production company are well known. Bottlenecks due to supply chain disruptions or limited access to specific products in stores, to name a few. Suhner can help.

**FLEETCare@Suhner**

Option of a stored standby machine for 100% availability
